STATEMENT ABOUT SERVICE NOT MADE

Miss Ethel Murphy, who resides next door to the Wingfield house that was partially destroyed by fire when the Alhambra burned, wishes to make clear that she did not criticize the service of the telephone operator in duty when the alarm was given for the fire, a statement credited to her in the Times of November 29.

She states that she did not make a statement to anyone that she was unable to get the operator when she went to the phone to send in the alarm.

The Bonanza will vouch for the efficiency of the night operator that is now on duty, as her work at the time of the fire on Erie Main street this week was watched with great satisfaction and with nothing but praise for the manner in which she handled the hundreds of calls that came in following the shock of the fire.

WEEKLY WEATHER FORECAST

Southern Rocky Mountain and Pacific Regions: General fair weather and normal temperature.

Pacific States: Frequent rains in Washington, Oregon and northern California probably extending into central California, generally light weather in southern California; normal temperature.

ADDITION TO WESTERN UNION OFFICE

Roger Dougherty, owner of the block where the Western Union Telegraph company has its office and plant is enlarging the Western Union room by an addition of 20 x 18 in the rear. This will give the telegraph company more room for their increasing business.

UNDERWENT OPERATION SATURDAY

Charles Quinby was operated upon Saturday morning at the Mine Openers' Hospital for an abscess of the eye. Considering the seriousness of the ailment, his condition is satisfactory.
